Value of the Month
"Self-Discipline"

Summer officially begins on June 21st. However, for us, the freedom of summer begins today. We are about to enter the joy of summer. The anticipation of days at the beach, picnics and travel seem like a little taste of heaven. Let us put ourselves into the hands of the Lord, and pray that God will bless us and those we love during the wonderful months of summer. May each of us make our home a place of relaxation, joy, love, peace and safety. Help us to help others enjoy the blessings of the summertime. We wish everyone a safe and happy summer.

In prayer, let us remember our dear Savannah, Denis Latina, Tom Braun and our troops in Iraq and Afghanistan.
